## **HB 286 Emergency Medical Services – Paramedics – Immunization Administration – Effective Date**

My name is Robert Phillips and I am the Legislative Committee Chairman for the Maryland State Firefighter's Association (MSFA).

I wish to present testimony in favor of **HB 286 Emergency Medical Services – Paramedics – Immunization Administration – Effective Date**

The Maryland State Fireman's Association supports the extension of the time in which Paramedics can assist with immunization procedures taking place in the state of Maryland. With the present COVID emergency still going on we feel that they are a needed asset in the medical field taking care of the public.

I thank the committee for their time on this important issue and ask that you favorably support House Bill 286.

Thank you and I'd be glad to answer questions that you might have.
