

HB0626

Unfavorable

Dr. Frank Arlinghaus

3010 Evergreen Way, Ellicott City MD 21042

I ask the members of the committee to return an unfavorable report on House Bill 626.

My greatest concern with this bill is that it makes no distinction between legal and illegal actions. In particular, 20-103 section I fails to distinguish between a person who provides assistance in a legal act and a person who performs illegal acts in order to assist in an abortion. Section J (3) has the same fundamental flaw, and as written can be used to protect illegal activity in the same way.

I ask that you return an unfavorable report on House Bill 626 due to the fundamental flaws mentioned above.
