

HB 799-State and Local Government - COVID-19 - Vaccination by Choice Act
FAVORABLE – I SUPPORT THIS BILL

State and political subdivisions should **NOT REQUIRE** a vaccination for applicant as a condition of employment. We have a significant labor shortage wherein Harford County is suffering from lack of teachers, bus drivers, nurses, etc. These shortages impact every aspect of our daily lives. We must keep ALL services operating regardless of vaccine status. **VAX BY CHOICE ONLY!**

What it is: This bill would **STOP** the State and State political subdivisions (ie: counties, municipalities, etc) from **requiring** Covid-19 vaccination for applicants or employees as a condition of employment.
