

Health and Government Operations Committee members and HGO Committee Chair: Delegate Shane E. Pendergrass, Vice Chair of the HGO Committee, Delegate Joseline Pena-Melnyk,

I support HB 799. Please vote favorable for HB 799.

Is the right thing to prohibit the State and the political subdivisions in the State from requiring an applicant for employment or an employee to provide proof of vaccination against COVID-19 as a condition for employment.

My husband was sent to emergency room with stroke symptoms after covid vaccine. Vaccines comes with serious side effects and death therefore should NOT be a condition of employment. Also is discriminations, I recently had to eat my lunch on a hallway next to a toilet because I wasn't vaccinated despite that the CDC has said that the vaccinated can both contract and spread the SARS-2 virus.

Please vote favorable for HB 799.

Thank you,
