

HB1358
FAV

March 8, 2022

Submitted by: Denee Daly, Life long Maryland resident

I support HB1358

Every Marylander has a right to medical privacy. If you want to see how this can go wrong when they do not have that privacy, look at examples from U. Sys. Of MD since Covid-19 Mandates were implemented.

For these, and other reasons, I support HB1358.

Thank you,
Denee Daly
