

Written testimony for HB1291 (Favorable)

Jaime Brooke

I am a registered democrat living in West Laurel (20707), and I support HB1291.

I am strongly in favor of this bill for many reasons, but mainly because I feel it is a critical piece of legislation at this time. I do not believe that local authorities should be able to establish V mandates. This authority should be left in the legislature where it belongs. The process of adding childhood school immunizations should remain with the MD Dept. of Health. Please move HB1291 forward as it should strongly be considered, and passed.

Please VOTE YES on HB1291.

Thank you,
