

**HB799** : State and Local Government – COVID-19 – Vaccination by Choice Act

## **SUPPORT**

Dear Members of the Health and Government Operations Committee,

I am writing today in support of HB799 which allows residents of Maryland to keep their positions and have a choice in their private medical decisions. Currently we have no long term data about the side effects of the COVID-19 vaccines. Also, the current vaccines available do not prevent infection or transmission.

I asked everyone to kindly support medical freedom.

Thank you,

Lauren Daigle
