

HB1171

February 18, 2022

Dear House HGO Committee Members,

I am against changing the Maryland Constitution to allow that “...every person...has the fundamental right to reproductive liberty...which includes the right...to end their pregnancy.”

Setting aside the moral issues involved in this proposal, such a change to our State Constitution would affect the liberties of countless doctors, nurses, and Maryland taxpayers, who do not wish to support abortion.

I hope that you will consider the rights of all of your constituents, and vote against HB1171.

Thank you for your consideration.

Yours truly,
