

HB1230

Favorable

Dr. Frank Arlinghaus

I ask the members of the committee to return a favorable report on House Bill 1230.

Dismemberment abortion is a horrific practice, and should only be used in those circumstances outlined as exceptions in the bill—namely, those involving a serious health risk. The risks associated with this type of abortion are greater and it should be avoided at all costs.

I ask that you return a favorable report on House Bill 1230 and end this barbaric practice.
