

HGO - HB1161 - UNFAVORABLE

Chair Pendergrass, Vice Chair Pena-Melnyk, and the Health and Government Operations Committee;

Please give HB1161 an Unfavorable Report.

Seeing as how the sponsors are unwilling to transport the patient, pay the clinic, provide childcare for the patient's children, or reimburse the patient for any lost wages, it seems rather rude to force the patient to wait more time than necessary between getting an ultrasound and an abortion. This is beyond ridiculous.

Again, I urge an Unfavorable Report for HB1161 (and all the other anti-choice bills).

Thank you.

Sincerely,  
Debi Jasen
