

Dear Chair and House Health and Government Affairs Committee Members,

Please support HB 1376, requiring an employer to develop a process to allow an employee to obtain an exemption from a COVID-19 vaccination requirement; prohibiting an employer from terminating or forcing an employee to resign under certain circumstances; providing that certain employees have a cause of action against an employer and may seek certain relief and damages; etc. More than 1000 side effects caused by the COVID-19 vaccine have been reported by FDA. People have their own medical and regional concerns about this vaccine, and people have their own freedom to choose any medical treatment.

Therefore, I am favorable to the bill HB 1376.

Please support this bill.

Respectfully,

Wei Yan
