**SB 853/HB 1270**  
**MARYLAND REAL PROPERTY TRANSFER-ON-DEATH (TOD) ACT**

**POSITION: SUPPORT**

**The Pro Bono Resource Center of Maryland (“PBRC”),** an independent 501(c)(3) non-profit organization, is the statewide thought leader and clearinghouse for volunteer civil legal services in Maryland. As the designated pro bono arm of the Maryland State Bar Association, PBRC provides training, mentorship, and pro bono service opportunities to members of the private bar and offers direct legal services through free legal clinics. **PBRC supports SB 853/HB 1270 because it will facilitate the smooth transfer of homeownership among families who may otherwise be at risk of losing the family home due to the expense and complexity of the estate administration process.**

Over the past seven years, PBRC has assisted nearly 700 homeowners at risk of losing their homes to tax sale. For homeowners, ending up on the tax sale list is usually the result of the inability to pay their property taxes, which is a situation often created by, or compounded by, not having proper title to their home. The clients served by our tax sale prevention clinics held in Baltimore in 2021 represented some of our state’s most vulnerable citizens: 81% were seniors, 26% were disabled, 84% identified as Black, and 81% reported annual household incomes of less than \$30,000.

On average, our 2021 Baltimore clients encountered in our clinics had owned their homes for 28 years, and over 70% of them owned their homes free of a mortgage. As lower-income homeowners, the predominant form of accumulated wealth that they have, and that they can pass on to their families, is the equity in their homes. When homeowners pass away, the heirs to their home must open an estate and complete a lengthy and sometimes complicated process to obtain proper title to the home; the requirements to transfer a deed may force an unexpected and large expense on the family, and it is not an accessible process for many low-income surviving families. As a result, many families remain unable to transfer the deed in their names for a long time, if they ever do. This “tangled title” problem frequently lands families in tax sale. By allowing the home to pass automatically to a designated beneficiary, these heir homeowners will be better-positioned to obtain title, avoid tax sale foreclosure, and keep their homes and the equity their families have worked to build.

PBRC supports SB 853/HB 1270, which may protect certain Marylanders from the loss of their family home, thereby preserving homeownership and the transfer of intergenerational wealth. Thank you for the opportunity to testify.

For the above reasons,

**PBRC urges a FAVORABLE report on SB 853/HB 1270.**
