

Bill No: SB280
Title: Interim and Temporary Protective Orders - Electronic Filing and Video Conferencing Hearings
Committee: Judicial Proceedings
Hearing: February 9, 2022
Position: FAVORABLE

The Maryland Legislative Agenda for Women (MLAW) is a statewide coalition of women's groups and individuals formed to provide a non-partisan, independent voice for Maryland women and families. MLAW's purpose is to advocate for legislation affecting women and families. To accomplish this goal, MLAW creates an annual legislative agenda with issues voted on by MLAW members and endorsed by organizations and individuals from all over Maryland. **SB280 - Interim and Temporary Protective Orders - Electronic Filing and Video Conferencing** is a priority on the 2022 MLAW Agenda and we urge your support.

SB280 would allow victims of abuse who are eligible to request interim and/or temporary protective orders to do so virtually in a hospital or urgent care setting. Currently, if a victim is in those facilities due to a violence incident, they cannot leave the hospital protected from their abuser. Further, victims who are in a hospital or urgent care setting for other medical reasons, who trust their medical professional and feel safe in those settings to disclose their abuse, cannot receive a protective order before leaving. This legislation applies to everyone eligible for protective orders including, domestic violence, sexual assault, child abuse and vulnerable elder adults.

Currently, victims of abuse, including domestic violence and sexual assault, cannot obtain protective orders from their abusers in a hospital or urgent care setting, thus, leaving the facility unprotected. This bill would allow all eligible victims of abuse the ability to apply virtually for temporary or interim protective orders in those settings.

For these reasons, MLAW strongly urges the passage of SB280.
