Chairman Luke Clippinger
90 State Cir
Annapolis, Maryland, 21401

Dear Chairman Clippinger:

On behalf of our members in Maryland, I would like to communicate our strong support for House Bill 1206.

The National Rifle Association has continually supported permitless carry, and is leading the fight to expand this policy across the country. In 2021 alone, NRA-led legislation added five new states in adopting permitless carry, and already in 2022 two additional state legislatures have passed this critical legislation. States that have passed 'constitutional carry' have seen no changes in crime rates, while upholding the permitting system to preserve reciprocity rights with other states.

For the foregoing reasons NRA supports HB1206.

Sincerely,

D.J. Spiker
Maryland State Director
