

HB0209 UNFAVORABLE

Dear Delegates,

A bill should never start by REPEALING this.....

“Sexual molestation or exploitation includes:

- (1) Allowing or encouraging a child to engage in Unnatural or perverted sexual practices”.**

This has been law of Maryland as long as any of us has been alive. There is no justification for a bill that **allows “encouraging a child to engage in unnatural or perverted sexual practice”.**

Are there no women on House Judiciary with a delicate enough constitution who would recommend Del. Moon withdraw this bill?

Delegate Moon's bill wants to REPEAL this filthy business?

“(a) A person may not:

- (1) take the sexual organ of another or of an animal in the person’s mouth;**
- (2) place the person’s sexual organ in the mouth of another or of an animal;**
- (3) commit another unnatural or perverted sexual practice with another or with an animal”**

Come on, Delegates. What in God's name is going on in Annapolis that someone feels at ease introducing this filth? Is exorcism needed? Are there no limits?

Please vote unfavorable. This bill would open loopholes that endanger children and aims to make unnatural, kink and perverted practices in your & your children's faces.
