Re: House Bill 712 – Landlord and Tenant - Access to Counsel in Evictions Special Fund -
Mandatory Appropriation (SUPPORT)

The Office of the Attorney General supports House Bill 712 sponsored by Delegate Samuel I. Rosenberg. House Bill 712 would appropriate annual funding for the Access to Counsel in Evictions Special Fund (the “Fund”). Providing the Fund with annual appropriations is essential to fulfilling the aims and goals of the General Assembly in enacting House Bill 18 in 2021.

Absent funding, renters will continue to overwhelmingly face eviction actions without counsel. As of January 2022, 62% of Maryland renters believe they are somewhat or very likely to be evicted within the next two months.¹ Eviction, or a mere threat of eviction, is “associated with numerous mental health conditions including anxiety, depression, exposure to violence, mental health hospitalization, and suicide.”² Eviction is particularly “traumatizing to children and affects emotional and physical well-being and development for years, if not for lifetimes.”³ Without adequate funding for access to counsel, Maryland renters will continue to experience the detrimental emotional and physical effects the General Assembly sought to avoid last session by enacting House Bill 18. Accordingly, the Office of the Attorney General requests that the Judiciary Committee give House Bill 712 a favorable report.
