ISSUE: HOUSE BILL 0943/House Bill 1114/House Bill 1195 Support

February 22, 2022

Greetings Delegates Shoemaker/Adams/ C. Branch:

I am Eric Smith, Executive Director for Winning Strategies: Fatherhood, The Courts & Custody. Our nonprofit organization supports your House Bills 0943/1114/1195. This bill gives grandparents the right to spend time with their grandchild. However what would make this bill perfect if stipulations were to be added for a parent/foster agency/another support system could be reprimanded if they willfully defied the bill if it was to pass under any Delegate or if the bill would be comprised of information from all sponsors to make a comprehensive action.

We vote **YES** on the progression of House Bills 0943/1114/1195.

Sincerely,

Eric Smith & The Winning Strategies Team
