Re: HB 0007 - Reckless and Negligent Driving
Death of Another - Must-Appear Violation
(Sherry's And Christopher's Law)

Dear Chairman Clippinger;

As a motorcyclist, a member of ABATE of Maryland, Inc., and the Director of the Mid-Shore Chapter, representing Caroline, Dorchester, Queen Anne's, and Talbot Counties, I am urging you to support HB 0007 – Sherry's and Christopher's Law. I have been a motorcyclist, travelling through 30+ states in the past 30+ years.

The HB 0007 bill indicates *“providing that a person charged with reckless or negligent driving that contributes to an accident that results in the death of another person must appear in court and may not prepay the fine”*. This is a bill that is near and dear to our Mid-Shore Chapter as well and the entire membership of ABATE of Maryland, Inc. On August 30, 2006, our State Executive Director, Marty Schultz, was killed in a motorcycle accident that involved a car running a stop sign. Marty was knocked off his motorcycle while travelling in his lane and died from his injuries. The vehicle driver received a ticket, paid the fine and never had to appear in court. Marty left behind a wife, 2 beautiful daughters, both of his parents and countless friends and neighbors. Marty was the Mid-Shore Director for many years before he became Executive Director of ABATE of Maryland, Inc.

ABATE requested and assisted with “right-of-way” bills in 2006 and 2007 with no success. In 2008, we were able to get SB 712 passed. However, it did not include a provision for “must appear.” We strongly feel that no one should be able to receive a minor traffic violation, or no violation at all, when an accident that they caused results in severe injury or death. They should not be able to pay a ticket to avoid going to court. They should be required to appear in court and defend the charges against them. We are not requesting a mandatory penalty, just that they would be required to appear in court. This is not just a motorcycle bill; this legislation would apply to all persons on a roadway that cause the death of another through reckless and negligent driving.

ABATE has been protecting the rights of motorcyclists in Maryland since 1974. We have been instrumental in getting numerous pieces of legislation enacted that affect all Maryland motorcyclists. This "Must Appear" bill would be one more tool in the toolbox that would help motorcyclists and any other motorist on the roadways in Maryland.

I feel that this bill would give the family and friends of a victim of a reckless or negligent driver a bit of closure to know that the person that caused the accident would at least have to appear in court.

I am hereby indicating my support for HB 0007 - Reckless and Negligent Driving Death of Another - Must-Appear Violation and urge the committee to vote favorably.

Sincerely,
**MID-SHORE CHAPTER
ABATE OF MARYLAND, INC.**
