**SPONSOR Testimony on House Bill 1416 – Charles County – Credit for Volunteer
Emergency Responders**

Dear Madam Chair Atterbeary, Vice-Chair Alonzo Washington and Members of the Ways and Means Committee:

House Bill 1416 is a delegation bill that seeks to give Charles County the authority to offer tax credit against the property tax imposed on the owner occupied residence of certain emergency responders and their surviving spouses.

House Bill 1416 has been vetted at the county's public hearing and received a unanimous vote from the county commissioners and members of the Charles County Delegation.

I am requesting a favorable report.

Delegate Debra Davis

Delegate, Debra M. Davis
District 28 - Charles County Delegation Chair
