RE: HB 633 Education – Accountability and Implementation Board - Membership
Letter of Support

Dear Chairperson Atterbeary and Members of the Ways and Means Committee:

The County Council of Cecil County unanimously supports HB 633 Education – Accountability and Implementation Board – Membership, which is scheduled for a committee hearing on March 3, 2022.

It is our understanding that this legislation will expand the membership of the Accountability and Implementation Board from seven members to eleven, by adding four members to represent western, southern, eastern parts of Maryland and a representative to represent the five largest student populations.

The Council supports this legislation because it will allow a resident from the eastern shore to be a member of this very important committee who can represent the region's needs.

If this legislation is not approved, the Accountability and Implementation Board will continue to lack representation from the various regions of the State; and lose diverse perspectives of our citizens.

The Cecil County Council respectfully requests that the Ways and Means Committee consider a favorable report on HB 633.

Sincerely;

Robert Meffley
Council President
