In support of

House Bill 797: County Boards of Education – Student Membership – Alterations

March 3, 2022

**Strong Schools Maryland urges a favorable vote on House Bill 797: County Boards of Education – Student Membership – Alterations.**

The Blueprint for Maryland's Future envisions a world-class system of public schools for our state's students. Strong Schools Maryland believes that students have every right to engage in the co-creation of the public schools that serve them, particularly when such engagement would contribute to students' material understanding of how the world around them operates. We respectfully urge a favorable report.
