

HB0362 Montgomery County - Voting Methods MC 13-22 – OPPOSE

Nelda Fink

In care of: 8372 Norwood Drive, Millersville, 21108

District 32

Committee Members

I strongly oppose this bill because rank choice voting would become a no party system and create imbalance in the elections. The majority vote would go to an individual and the multi/bi-partisan system we have today would basically be eliminated. This process will absolutely trend towards a majority based system where the minority loses its representation and will become unconstitutional.

Sincerely,
Nelda Fink
