The teacher grabbed the little boy with so much anger and seat him so hard on the chair telling him she was so tired already. Then the boy tried to scape from where he was seated, the teacher grabbed the boy and seat him on her lap hugging him from behind and don't let him move. The only parts of his body could move was his legs. He was kicking his legs so the teacher grabber his legs so hard slammind them on the table. By the end of all the commotion the boy startind to flap his hands the teacher said "don't hit me" and the teacher hit his hands, Other kids were crying because all of this.

December 2, 2021 On this date this little boy was so upset I don't know why, but I saw him picked a chair and throwing on the air. She had not supervision.
