## **HOUSE BILL 35 State Board of Elections - Contracts and Invoices - Requirements (Palokovich Carr) EMERGENCY BILL**

### **STATEMENT OF INFORMATION**

**DATE:** February 1, 2022

**COMMITTEE:** House Ways & Means

**SUMMARY OF BILL:** HB 35 requires the State Board of Elections to review and vote on each contract with a value of \$50,000 or more; requires the State Administrator of Elections to report contracts, contract renewals, and change orders to the State Board; reports to the Board of Public Works may not itemize funding as “special funds”; and increases costs to the State for all election-related goods and services mandated by the State Board.

**EXPLANATION:** While the bill purports to codify an uncodified section in law, the legislation shifts to the State 50% of the responsibility for the MDVOTERS voter registration system and on-demand ballot printer warranties, which are currently paid 100% by the counties.

The increased aggregate cost for the State’s 50% share, as required by the legislation, is approximately \$3.65 million.

In September 2021, the State agreed to assume 50% of the cost of poll book-related expenses, including printers, licenses, and equipment. This recent action alleviated the counties of election costs for which they were previously 100% responsible – the benefit to the counties is \$3 million in FY 2022 and \$4.3 million in FY 2023.
