House Office Building
Annapolis, Maryland 21401

Committee,

HB1472 "Income Tax - Subtraction Modification - Volunteer Fire, Rescue, and Emergency Medical Services." Volunteers continue to put the needs of their community first. Their selfless dedication of service to their community with reimbursement saves the taxpayers millions each year; this adjustment to the subtraction modification under the Maryland income tax would be beneficial and is why the association supports this piece of legislation.

Respectfully,

Austin Christner, President
