RE: Support for HB 376: Outdoor Preschool Licensing Pilot

Dear Delegate McComas and Ways and Means Committee Members,

My name is Jamie Debole and I am a parent who resides in your district.

I am writing to ask that you vote in favor of HB376 to establish an Outdoor Preschool Licensing pilot.

Here are a few of the reasons why I urge you to support the bill:

Children from low-income communities and those with special needs do not have equitable access to State scholarships or special education services and are cut off from the benefits of nature-based early childhood education because immersive outdoor preschools currently cannot be licensed; A staggering number of child care programs in Maryland have closed during the covid-19 pandemic leaving a shortage of options for families. Outdoor preschools offer an alternative form of child care at a time when many families seek the physical and mental health benefits of being outdoors; and Outdoor preschools promote the skills and values that lead to environmental literacy, which supports goals of the Maryland Partnership For Children In Nature and the K-12 Environmental Literacy Standards required for graduation in Maryland.

I have personally seen incredible growth in my son's sense of independence, confidence and curiosity, and a decrease in his anxiety about new and unknown situations. He is excited about exploring the world around him and very much looks forward to his time at nature preschool.

Thank you for your time and consideration of HB376. We hope that you will support this important effort and vote in favor of HB376!

Sincerely,
Jamie Debole
