RE: SUPPORT HB 0302 Baltimore County-Property Tax-Credit for Homeowners Who Suffered a Hardship

Dear Chair Atterbeary, Vice Chair Washington, and Members of the Ways and Means Committee:

The Randallstown NAACP supports HB 0302 Baltimore County-Property Tax-Credit for Homeowners. During the pandemic, rich Americans were more likely to get richer, poor Americans were more likely to get poorer — and the middle income Americans on average got poorer. This legislation before you today seeks to address the devastation of the pandemic on Baltimore County families.

*The Randallstown Branch of the NAACP urges a favorable report from the committee on HB 0302.*

*yours*

Ryan Coleman

President, Randallstown NAACP
