Maryland House of Delegates  
Ways and Means Committee  
House Office Building  
6 Bladen St.  
Annapolis, MD

Dear Chair Atterbeary and Members of the Ways and Means Committee:

The Washington Commanders submit this testimony expressing our opposition to HB 980.

As you know, legal sports wagering across the state remains in its infancy. Beyond the MLGCA-reported tax revenues the legal sports betting market has already remitted back to the State, the overall market has not been realized to any significant maturity to be able to ascertain any impact, positive or otherwise, to the communities that surround the current operating sportsbooks.

We are disappointed to learn of the introduction of this legislation specifically targeting our organization, not only because our licensure has not been officially conferred (thereby making it impossible to measure “impact”), but also given that any judgement on the impact of in-person, legal sports wagering across the state and all facilities being granted Class A-1, Class A-2, and Class B licenses requires significantly longer time so a proper examination of impacts may be properly understood and duly considered by state and local elected bodies.

Although we do not think this legislation is appropriate, it will not diminish the spirit of partnership we have forged with our area stakeholders in Prince George’s County. We have proudly engaged with the bill’s authors throughout this past year to source programming needs and identify areas where our philanthropic resources can be applied. Such programming includes literacy initiatives at William Paca Elementary School and Cora L. Rice Elementary School, contributions to local football programs, specifically Fairmont Heights High School, and welcoming area schools around FedExField to our stadium for our “Back to School” Fair, as well as our “Winter Wonderland” and “Toy Giveaway” holiday-themed events.

This programming is the direct result of a trusted partnership begun under the leadership of Team President Jason Wright and in direct consultation with Delegate Barbara Harrison, Delegate Jazz Lewis, and Senator Joanne Benson. Our regular communication since our team’s transformation commenced in 2020 has already resulted in tangible, community benefit for the immediate neighborhoods around FedExField.

One such example is our commitment to invest all the proceeds raised from our 50/50 Charitable Raffle directly into the communities within a 1.5-mile radius of FedExField, which was enshrined in Maryland state law one year ago.

Per regulations governing our raffle with Prince George's County government, we submit annually a report on how those funds are invested into the County. The reports from 2018 and 2019 are included as amendments to this submitted testimony. Our 2021 reporting for the County is currently being prepared, and we are happy to share it upon submission to the County later this month.

As you will note in the enclosed reports, our commitment to the Prince George's County community is steadfast, and we are grateful for our 24<sup>th</sup> Legislative District champions and other key stakeholders that assist us in delivering programming that meets the needs of the community.

In sum, we urge your opposition to HB 980, and we welcome a continued, constructive dialogue with members of the House of Delegates, the State Senate, and other policy stakeholders on how we can gainfully support the communities around FedExField.

Sincerely,

Joe Maloney  
Vice President, Public Affairs

The Washington Redskins Charitable Foundation remains committed to supporting youth initiatives in Prince George’s County. The listing below is just a sampling of major gifts and projects supported within Prince George’s County by the Charitable Foundation during the 2018-2019 season funded with proceeds from the 50/50 raffle:

- **Venture Philanthropy Partners’ Ready to Work Program Support**
  - o The Redskins Charitable Foundation provides \$100,000 annually to support Venture Philanthropy Partners’ Ready to Work program in Prince George’s County. Working in partnership with Prince George’s County administration, public schools, local business leaders, and a number of nonprofit organizations, the program helps youth reach their full potential so students leave high school feeling fully prepared for employment and college. The program spans across three Prince George’s County, Md. high schools: Suitland, Oxon Hill, and High Point.
- **Capital Area Food Bank Weekend Bag Program**
  - o The Foundation provided a \$15,000 grant put toward a third year of support for the Weekend Bag Program at Judge Sylvania Woods Elementary School, which distributes 65 bags of nutritious food each week to children in need. In addition, the food bank is providing 455 bags each week to 12 schools and community centers throughout Prince George’s County. Since the start of this grant, Capital Area Food Bank has provided more than 2,080 bags to children at Judge Sylvania Woods Elementary.
  - o In November, the Charitable Foundation and Capital Area Food Bank partnered together for the 16th annual Harvest Feast to provide Thanksgiving meals to the community. A \$12,500 contribution allowed CAFB to purchase fresh, nutritious holiday vegetables included for families as the Charitable Foundation and CAFB work together to enhance the Prince George’s community access to healthy produce options.

- **Oxon Hill High School Field Support Grant**
  - o The Foundation will provide \$300,000 in support of new field lighting at Oxon Hill High School in Prince George’s County. The grant is part of the Foundation’s on-going support to create safer play spaces for youth across the county.
- **Redskins Harvest Feast presented by Ryan Homes**
  - o The 16<sup>th</sup> Annual Redskins Harvest Feast presented by Ryan Homes provides approximately 15,000 residents of Prince George’s County will everything they need to make a healthy Thanksgiving meal in the comfort of their own home. The event invests more than \$45,000 through in-kind donations, resources and other support back into the Prince George’s County Community.
- **Loads of Love Laundry Center Grants**
  - o For the 2018 – 2019 school year, the Charitable Foundation provided more than \$113,000 in grants for 14 Prince George’s County Public Schools to open their own Loads of Love Laundry Centers. The program installs washers and dryers in schools that serve students who lack access to clean clothes. Studies have shown that offering laundry services in schools can help boost student attendance rates, class participation and grades.

The total spend for these three projects in Prince George’s County was \$585,000, far exceeding the required investment.

Additionally, the Washington Redskins Charitable Foundation hosted 13 community support events in Prince George’s County throughout the 2018 calendar year:

The Washington Redskins Charitable Foundation remains committed to supporting youth initiatives in Prince George’s County. The listing below is just a sampling of major gifts and projects supported within Prince George’s County by the Charitable Foundation during the 2019-2020 season funded with proceeds from the 50/50 raffle:

- **17<sup>th</sup> Annual Harvest Feast**
  - o The Washington Redskins Charitable Foundation aimed to provide as many financially struggling families in Prince George’s County with a Thanksgiving meal by hosting the 17th annual Harvest Feast presented by Ryan Homes at FedExField on November 11. Since 2003, the Redskins have gifted more than 1,422,335 pounds of packaged and fresh food and 580,500 pounds of turkey to area families in need.
  - o With the help of several partners, such as Safeway, Bank of America, PepsiCo, FedEx, Prince George's County Department of Social Services and Capital Area Food Bank, the Charitable Foundation provided 2,500 Prince George's County families with the necessary food to host their own Thanksgiving dinner. In total, over 200 volunteers assisted in assembling over 30 pounds of turkeys, and 90 pounds of dry goods for those in need. The Foundation contributed \$50,000 to Capital Area Food Bank in 2019 who purchased fresh, nutritious holiday vegetables included for families.
- **Partnership with Oxon Hill High School**
  - o The Foundation invested heavily in Oxon Hill High School in 2019, focusing efforts on health and wellness initiatives and full support of their Varsity Football Team.
  - o On Oxon Hill’s Homecoming Weekend as well as the Redskins Alumni Homecoming Weekend, the Charitable Foundation took over Oxon Hill’s homecoming football game. The Foundation created a

“Friday Night Lights” event, which included a DJ for pregame, Redskins Alumni as guest captains, Redskins branded field goal posts, Friday Night Light Signage throughout the stadium and a rally towel giveaway to the first 1,000 fans in attendance. Most importantly, the football team was surprised with brand new throwback jerseys in the locker room prior to kickoff.

- The Redskins Charitable Foundation, Heart of America, and The Dick’s Sporting Goods Foundation partnered together to re-model Oxon Hill’s weight room as part of the Redskins Huddle for 100 initiative. The Foundation made a donation of over \$35,000 to make sure the weight room had a new look as well as new fitness equipment for the 1,455 students of Oxon Hill to utilize and have a safe space to strengthen their health and wellness goals.
  - For the Foundation’s partnership game with Prince George’s County Public Schools – the varsity football team of Oxon Hill High School was invited to FedExField to watch the Redskins play in action and be in attendance on the sideline for pre-game warm ups.
  - As the culminating event with Oxon Hill High School in 2019, the Foundation invited members of their administration and athletic department, as well as their football players to come back to FedExField for a high school football recognition opportunity. The football team participated in a unique experience where they formed the tunnel for the players to run out onto the field and stood on field for the national anthem. Cecille Greenfield, Oxon Hill High School’s Athletic Director was in for a surprise of her lifetime at this game. Cecille worked closely with the Foundation’s staff to plan the Friday Night Lights event and Weight Room Renovation and she was surprised at halftime, on the field with an all-inclusive trip to Superbowl LIV with travel, accommodations and lower level tickets for her and a guest. The tickets are valued at \$3300 each.
- **Loads of Love Laundry Centers**
- The Loads of Love (LOL) Program aims to install laundry facilities in schools and non-profit organizations to directly impact children experiencing homelessness or an unstable living situation at no cost to them or their families. In 2019, the Foundation awarded (2) two new sites in Prince George’s County – Arnold Place and Missions of Love, Inc. These two sites were awarded the full \$10,000 grants and will impact over 110 participants struggling with laundry accessibility. The Loads of Love Program currently has (16) active sites from our 2018 – 2019 grant cycle in PG County. In total the Foundation has donated over \$153,487.64 to LOL sites in PG county impacting a total of 6,067 residents.

**The total spend for these three projects in Prince George’s County was \$199,759.85, exceeding the required investment.**

**Additionally, the Washington Redskins Charitable Foundation hosted 10 community support events in Prince George’s County throughout the 2019 calendar year:**

1. Back to School Fair at FedExField (August 23, 2019)
2. Recess on the Field at FedExField (September 15, 2019)
