RE: **HB 751 – Public Safety – Officer and Community Wellness Training Grant Fund**

POSITION: **SUPPORT WITH AMENDMENTS**

The Maryland Chiefs of Police Association (MCPA) and the Maryland Sheriffs' Association (MSA) **SUPPORT HB 751 WITH AMENDMENTS**. This bill creates a fund to grant local law enforcement agencies with mental health first aid for public safety training and critical incident stress management peer support training.

MCPA and MSA appreciate the sponsor's intent and support the bill as it intends to provide targeted supplemental grant funding to local law enforcement agencies. However, both organizations are concerned with the definition of a "local law enforcement agency" used in the bill. To ensure that HB 751 properly applies to local law enforcement agencies, the definition found in MD Code, Public Safety, § 3-201 should be used.

For these reasons, MCPA and MSA **SUPPORT HB 751 WITH AMENDMENTS** and request that the definition found in MD Code, Public Safety, § 3-201 be used instead of the "local law enforcement agency" definition used in the bill.
