SB 94: Income Tax – Subtraction Modification – Volunteer Fire, Rescue, and Emergency Medical Services

My name is Robert Phillips and I am the Legislative Committee Chairman for the Maryland State FireFighters Association (MSFA)

I wish to present testimony in favor of **Senate Bill 94: Income Tax – Subtraction Modification – Volunteer Fire, Rescue, and Emergency Medical Services**

This bill increases the amount of income subtraction available to the volunteer firefighter. The income subtraction is a valuable tool used the volunteer fire service to recruit and retain new and present firefighters. As we all know the act of volunteering is a shrinking idea in todays society. Anything that we can use to bring in and maintain present volunteers is very important. Local governments struggle with budgets and the loss of the volunteer fire service could be a crushing blow to the communities that they serve if no longer available to provide their services.

I thank the committee for their time and attention to this important bill and ask that you vote favorable on Senate Bill 94.

I will now be glad to answer any questions, or my contact information is listed above and welcome any further inquiries you might have.
