RE: Bill SB906

Senator Guzzone and Committee Members,

As a leader for an engineering company that provides services to many Maryland manufacturers, I am writing to you to show my support for bill SB0906, the matching grant program for SME manufactures to purchase advanced technologies.

This bill will surely make a remarkable difference for our local manufacturers ability to keep up with the many industry changes happening today.

Thank you in advance for your consideration.

Sincerely,

Antonio Delgado
