To Whom It May Concern:

New-Service Training Employment Program (N-STEP), Inc., is in favor of SB 874 to establish recurring funding for the Community Health and Safety Works grant program at the Maryland Department of Housing and Community Development.

The initiatives supported by this department are vital to the character development, education, and employment needs of young adults in our state. Thank you for your consideration of our request. Please visit our website at www.nstepforward.com for detailed information on programs offered.

Sincerely,

Sharon B. Jacobs
