

**Maryland House of Delegates - Economic Matters Committee**

**Chair: C. T. Wilson**

**Vice Chair: Brian M. Crosby**

**House Bill 0895 - State Board of Electricians - Limited Energy Contractors and Limited Energy Integrators - Licensing**

**Position: Oppose**

The Baltimore DC Metro Building Trades Council opposes HB 0895. Every contractor or individual installing wiring that will connect to an electrical service shall be licensed and insured per Maryland state codes and regulations. This is a public safety issue. We stand in solidarity with the International Brotherhood of Electrical Workers in opposition to the bill.

We ask the Committee for an unfavorable report. Thank you.

Sincerely,

Jeffrey Guido
