HB 889: Electric Vehicle Charging Stations and Property Tax Credit for Service Station Conversions

Economic Matters Committee

Position: Favorable

Dear Chair Wilson and Economic Matters Committee,

On behalf of Property Consulting, I respectfully urge a favorable vote on HB 889, which deals with Electric Vehicle Charging Stations and Property Tax Credit for Service Station Conversions. Property Consulting is a Baltimore City-based redevelopment company committed to investing in the communities where we live, work, and play.

This bill is a great step towards repowering Maryland and helping the state reach its renewable energy goals. This legislation is critical for communities like Baltimore City to foster the needed infrastructure for redevelopment and repowering our economy with clean energy. We thank Delegate Ruth for her leadership on the bill and ask for your support of HB 889.
