Economic Matters Committee  
House Bill 1165

**Testimony in support of House Bill 1165  
Alcohol and Tobacco Commission – Technical Corrections and  
Clarifications**

Mr. Chairman, Vice Chair and Members:

Southern Glazer's Wine and Spirits of Maryland supports House Bill 1165.

This bill will clarify the powers and duties of the Alcohol and Tobacco Commission (ATC) relating to alcoholic beverages regulation and enforcement.

As an industry member we regularly interact with the ATC on matters of compliance and market conditions. We appreciate their experience and responsiveness and respect their commitment to enforcing the laws of the state.

We ask for a favorable report on House Bill 1165.

Thank you,

Randy Barnhart
