

TESTIMONY IN FAVOR OF SB 690
Agriculture - Confinement of Egg-Laying Hens in Commercial Egg Production -
Prohibitions

If one were to see the conditions egg-laying hens are kept in commercial egg production, one would never eat an egg again. I don't; I eat cage-free expensive eggs. Yes, they are expensive, but I have to live with my conscience.

We have many new Senators. Let's set an example and lead the way for humane conditions for hens. Please give this Bill a favorable vote.

Thank you.
