Favorable with Amendment for SB 222/HB 284

Chair and members of the Committee,

The Premium Cigar Retailers Association of Maryland represents over 35 adult only brick and mortar premium cigar specialty stores in the State. We appreciate the opportunity to testify on this matter.

We write today as **Favorable with amendment** to SB 222/HB 284.

Reducing excess waste is goal that we share. However, in order for our damp products to be maintained in a humid manner, which prevents the product from being spoiled, we request an exemption for damp items, such as premium cigars, as there is no other practical way to transport these items.

These items need to be wrapped so that they do not lose their moisture during transportation or else the premium cigar will quickly become stale and will result in wasted product.

Adopting this amendment is critical for our mom-and-pop retail businesses to be able to exist in Maryland.

For these reasons we respectfully ask that the included amendment be adopted.

Sincerely

Matthew Bohle and Obie Chinemere of RWL – 410-269-5066
