RE: SB 822 – Pathways in Technology Early College High (P-TECH) School Program – High School Diplomas

Dear Senators,

We support SB 822 and respectfully request that you vote for it.

As per the [Fiscal and Policy Note](#) of this bill, it seems reasonable that a student, in the P-TECH School Program, that has met the requirements of a high school diploma, receive that diploma without delay.

Please vote for this bill.

Sincerely,

Christine Hunt and Jay Crouthers
