

Maryland Senate - Education, Energy and the Environment Committee

Chair: Brian J. Feldman
Vice Chair: Cheryl C. Kagan

Senate Bill 0614 - Public Safety - Fire Dampers, Smoke Dampers, Combination Fire Smoke Dampers, and Smoke Control Systems

Position: Support

The Baltimore DC Metro Building Trades Council supports SB 0614. The proper installation, servicing and inspection of these devices is to ensure they function properly and protect the public from injurious harm or death. This is a public safety issue. We stand in solidarity with the Sheet Metal Air and Rail Transportation Union in support of the bill.

We ask the Committee for a favorable report. Thank you.

Sincerely,

Jeffry Guido
