**RE: Support of HB 0620 Corporations and Associations – Annual Report Filings – Repeal of Fees**

Dear Chairman Wilson:

The Maryland Building Industry Association, representing 100,000 employees statewide, appreciates the opportunity to participate in the discussion surrounding **HB 0620 Corporations and Associations – Annual Report Filings – Repeal of Fees**. MBIAsupports the Act in its current version.

This bill repeals the filing fees paid by certain corporations and business entities to the State Department of Assessments and Taxation for annual reports that are filed but not recorded. MBIAsupports this measure, as repealing certain filing fees reduces an unnecessary burden and will save our members from a crucial cost in the current economic climate.

For these reasons, MBIAsrespectfully requests the Committee give this measure a **Favorable/Unfavorable** report. Thank you for your consideration.
