Re: HB1004- Wicomico County - Sanitary District – Authorization- SUPPORT

Dear Chairman Barve and Members of the Environment and Transportation Committee,

The Wicomico County Delegation supports HB1004 Wicomico County- Sanitary District- Authorization. We are asking for a **favorable report** on HB1004. This bill was brought to us from the Wicomico County Council with unanimous support to create this commission. HB1004 would allow for the creation of a Sanitary District Commission in which many counties across the state have a similar board. We hope to join those counties to assist Wicomico County in water and sewage related issues.

Thank you for your consideration and please do not hesitate to contact us with any questions you may have.

Sincerely,
