Re: HB0892: Environment – Comprehensive Flood Management Grant Program – Funding for Overburdened Communities

Dear Chair Barve and Committee Members:

The College Park City Council voted unanimously during our meeting of February 14, 2023 to support HB 0892, which would require a certain percentage of the comprehensive flood management grant program funds to be used for projects directly benefitting census tracts with a certain EJ Score, and to require the Governor to include in the annual State budget an appropriation for the comprehensive flood management grant program of a certain amount.

Thank you for your consideration of the City's position.

Sincerely,

A handwritten signature in blue ink that reads "Pat. Wojahn".
