RE: Delegation Support for HB338: Baltimore City - Commercial Use – Definition

Chair Barve, Vice Chair Stein, and Members of the Environment and Transportation Committee,

For the record, I am Regina T. Boyce, Delegate of district 43A presenting **HB338: Baltimore City - Commercial Use – Definition**.

HB338 expands the current state law to allow multifamily and residential development to be created for the successful redevelopment of projects such as Baltimore's Inner Harbor. This legislation will ensure the state's interests in promoting tourism, a clean harbor, and healthy Chesapeake Bay are protected and appropriately represented as major drivers of the State's economy.

I thank the Environment and Transportation Committee for their time and consideration of support for HB338.

Sincerely,

A handwritten signature in blue ink that reads "Regina T. Boyce".
