

A Maryland Deaf upper middle class couple with two children under the ages of 5 had to pay \$40,000 out of pocket in medical fees due to an unqualified sign language interpreter.

MARYLAND ASSOCIATION OF THE DEAF

Pass Maryland's

Interpreter Licensure Bill NOW!

HB 260 and SB 346

ABOUT OUR ORGANIZATION

The Maryland Association of the Deaf is a 65 years old advocacy organization that advocates for the social, linguistic, and human rights of Marylands deaf and hard of hearing community.

WARMHEARTING

MDAD thanks you for supporting the advocacy work benefiting our small but large community

SUPPORT

MDAD supports Licensing of Sign Language interpreters as a consumer protection effort and to ensure that only qualified credentialed interpreters work in our state
