RE: HB 401/SB 449

Dear Delegate Kelly and Senator Gile:

On behalf of the American Speech-Language-Hearing Association, I write to support HB 401/SB 449, which amends definitions in the audiology practice act.

The American Speech-Language-Hearing Association (ASHA) is the national professional, scientific, and credentialing association for 223,000 members and affiliates who are audiologists; speech-language pathologists; speech, language, and hearing scientists; audiology and speech-language pathology support personnel; and students. Over 4,100 ASHA members reside in Maryland.¹

We appreciate your amendments to HB 401/SB 449 to address our earlier concerns. If you or your staff have any questions, please contact Susan Adams, ASHA's director of state legislative and regulatory affairs, at sadams@asha.org.

Sincerely,

Robert M. Augustine, PhD, CCC-SLP
2023 ASHA President
