HB 949

State Finance and Procurement-Retention Proceeds

- ***Why is the Bill being introduced?***

While Maryland Statute defines retention proceeds, this bill is being introduced for the purpose of requiring that certain retainage proceeds be paid within a certain period of time after the Date of Substantial Completion. Retainage proceeds are monies withheld and contractors can often go months or longer before receiving undisputed retention proceeds.

- ***What does the Bill do?***

The bill defines in Statute that retention proceeds, which are not disputed by the owner, must be paid within 90 days of Substantial Completion.

- ***Why is it important to pass now?***

This bill supports the good business practice that work is to be paid in full in a timely fashion. Also, the bill respects the legislative intent behind protecting the owner from incomplete work or lack of quality workmanship. By passing this bill, only those undisputed amounts are subject to the new revisions.
