

give you information about help and support. If you are being hurt or are afraid, your provider will explore safety options with you and offer information and referrals to help. Remember, this is not your fault and help is available.

Help is available if you are being threatened or intimidated; are being physically, emotionally, or sexually harmed; or feel afraid for any reason.

National Domestic Violence Hotline: 1-800-799-SAFE (7233)

Michigan Sexual Assault Hotline: 1-855-VOICES4 (864-2374)

National Sexual Assault Hotline: 1-800-656-HOPE (4673)
