Kenneth Stoller, MD
Johns Hopkins Hospital
The Broadway Center
KStolle@jhmi.edu

Immediate Past President

Vickie Walters, LCSW-C
IBR/REACH Health Services
VWalters@ibrinc.org

The Maryland Association for the Treatment of Opioid Dependence (MATOD) urges a favorable opinion on SB 14. Our mission is to promote high-quality, effective medication assisted treatment for opioid addiction, so individuals, families, and communities can lead healthy lives in recovery and without stigma.

MATOD is pleased to support SB 14. The language “regional” should be removed altogether. An accredited school is just that, accredited. Personally, I am from Kansas and attended a division 1 accredited college in the Midwest. When moving to Maryland in 2007 to work and obtain a Master’s degree it was very easy to get into a graduate program. However, when applying for a Drug and Alcohol Trainee Certificate through the BPCT it was more difficult to obtain a certificate even though the course descriptions were the same as the regional descriptions here. Given the workforce shortages in the health care field overall, this will hopefully offer some relief in the Drug and Alcohol related field. Thank you so much for your time and consideration in support of SB 14.

Joshua Grollmes, M.Ed.
MATOD Board President
