Dear Members of the Committee,

I am writing to express my extreme unfavorable position toward Criminal Law - Wearing, Carrying, or Transporting Firearms - Restrictions (Gun Safety Act of 2023). This bill is a malice attempt to back door the rights of law abiding citizens to defend themselves. It effectively makes CCW possession worthless as the locations one could defend themselves is gutted.

Needless to say, I suspect this law will never survive a cursory challenge in light of Bruen. Perhaps it is time legislators, who blatantly violate the spirit and the letter of the law of the land, be held responsible for legal fees induced by their heavy handed tactics.

Sincerely yours,

Andrew J. Hobbs
