WASHINGTON COUNTY, MARYLAND**

Senator William C. Smith, Jr., Chair
Judicial Proceedings Committee

RE: Support of SB 427 – Correctional Services – Inmate Release

Dear Senator Smith:

The Board of County Commissioners of Washington County, Maryland, by a vote of 5-0, supports Senate Bill 427. It would require, upon an inmate's release from a State correctional facility, the Division of Correction to transport inmates to the county of the inmate's address recorded at the time the inmate entered the State correctional facility. Further, SB 427 provides for supervision of each inmate during the release process.

Washington County is the location of three major penitentiaries maintained by the Maryland Division of Correction. These institutions house inmates from all over the state, most of whom, upon release, are in great need of supervision, physical and mental health treatment, job assistance, and transitional assistance in their re-adjustment to life in the community. Many such inmates are a high recidivism risk. If not provided with transitional assistance, many such inmates will have difficulty living successfully as they return to life in the greater community.

For the foregoing reasons, the Board of County Commissioners of Washington County respectfully and without reservation urges the Committee to approve SB 427.

Sincerely,

BOARD OF COUNTY COMMISSIONERS OF
WASHINGTON COUNTY, MARYLAND
